AI Sire Request Form

UNLICENSED SEMEN - UNRESTRICTED

(No Permit Required)

- A member may submit an application to the Council to have bull semen listed as unlicensed.
- Unlicensed semen may be collected on a farm or at an Approved Artificial Breeding Centre and shall require a SNP DNA profile and evidence of a 5 generation Pedigree (If not ABGA registered) to be eligible to have its application submitted.
- Listing sire's semen as unlicensed means no AI Sire Permits are required to register progeny as the current owner consents to use of this semen by any other party.
- All AI Sires born after 1st January 2023 are required to be SNP Parent Verified in accordance with the ABGA By-Laws.
- ABGA does not support the export of semen collected on a farm and not in an Approved Artificial Breeding Centre.
- This form is required upon taking semen from the above animal for sale and/or personal use.
