

TALK TO THE ANIMALS  
*with Viv Adcock*

# TALK TO THE ANIMALS *Start the Conversation*

*Do you have the connection with animals you truly desire and know is possible?*

*Would you like...*

*...to have more ease 'understanding' your animal?*

*...to learn what you unknowingly communicate?*

*...to step into greater leadership?*

## **DAY ONE. Explore the Animal kingdom!**

Through exercises, tools and techniques you will learn to acknowledge, cultivate and develop your own capacities with animal communication.

## **DAY TWO. Time to practice your skills!**

Enjoying a day of hands-on experience communicating with the variety of animals at the venue, you will build trust in your new skills, your awareness and your ability to create a peaceful, calm connection in which true communication is possible.

*When: 11th-13th October, 2019*
