### Next ABGA Member's Zoom Webinar

Time: 7:30pm, Vic/NSW/Tas related time zone

Day: Thursday 26<sup>th</sup> November 2020

Topic 1: Soil health and pasture utilisation

**Kate Experience:**

Kate is an Agronomy & Agriculture industry lecturer at the Melbourne Polytechnic, Epping. She understands the needs of sustaining productivity in a changing and challenging agricultural business environment. Kate has a Bachelor of Agricultural Science, Certificate IV in Workplace training & Assessment, Certificate IV in Business Management. She was a finalist for the Victorian Rural Women's Award, recipient of Charles Green Scholarship (National award for Corporate Governance) and developed the Alpine Valleys Community Leadership Program (AVCLP). She has expanded her skills as a farmer, a share farmer, a bookkeeper, on Board of Managements and now, along with her community work, teaches the Diploma of Agronomy and Agriculture programs at Melbourne Polytechnic, Epping.

We welcome Kate to be our next Webinar presenter covering soil health and pasture utilisation.
